Full 7-Day Low FODMAP Meal Plan

DIET VS DISEASE

Hi, I'm Joe Leech, Dietitian, and I'm excited to share this 7-day low FODMAP meal plan with you.

This plan is designed to kickstart your low FODMAP journey and help you manage digestive discomfort effectively. Inside, you'll find a complete overview of the week's meals, detailed daily nutrition information, a comprehensive shopping list, and step-by-step recipes.

Most recipes are portioned for one serving, so if you're cooking for two, simply double the ingredients and recipes. Some meals are repeated throughout the week, with extra servings prepared in advance for your convenience—these are indicated as leftovers in the meal plan.

Important: Portion size plays a crucial role in keeping this plan low FODMAP. Exceeding recommended portions may lead to higher FODMAP intake, so be sure to follow the guidelines closely.

Tea & Coffee Guidelines Per Serving:

- Coffee: Black or espresso (up to 2 shots) or instant coffee (1 tsp)
- Strong Tea: Green, peppermint, or white (1 mug or 250ml)
- Weak Tea: Black, chai, or dandelion (1 mug or 250ml)
- Milk Options: Lactose-free milk, almond milk, or rice milk

Enjoy the plan, and here's to a week of delicious, digestive-friendly meals!
